

American High School
Master Schedule
(AHS Handbook p. 12)

Learning Tracks

American High School has structured and guided learning tracks. For both, the parent, student, and dedicated counselor determine the pathway that best meets the student’s needs.

In the “Guided Learning Track” students are an integral part in the development of their study plan in support of their academic needs and timeframes. This track does not require a master schedule.

In the “Structured Learning Track” students follow pacing guidelines in a structured study plan and school work is closely monitored by teachers and his/her counselor. This track requires a master schedule.

*Students with an IEP/504 and students seeking to obtain scholarships for college will be required to take the “structured learning track”.

Things to Know:

- Each block contains one core class per subject (Ex: English, Math, Social Studies, and Science).
- There are 16 core courses.
- Generally, the students in each session take the same core courses. This increases the opportunity for student to student interaction, relationship building, and peer collaboration on projects.
- There will be a mandatory start date and end date divided into three semesters per year: Winter Semester, Summer Semester, and Fall Semester.
- Each week the Block schedule will alternate. (Example: During week one, Block A meets two times (Tuesday and Thursday). Then, during week two, Block A meets three times (Monday, Wednesday, Friday).

Block Groups Setup:

Block	Grade Level Potential	Core Courses
Block A	Grade 9	English 1 – Mr. McCann World History – Ms. Taylor Algebra 1 – Dr. Joseph Biology – Mr. Beneby
	Grade 10	English 2 – Mr. McCann United States History – Ms. Franklin Geometry – Ms. Cruz Chemistry – Mrs. S. Daniels
Block B	Grade 11	English 3 – Ms. Hunt United States Government – Ms. Franklin Algebra 2 – Mr. Priovolos Physics 1 – Mrs. S. Daniels
	Grade 12	English 4 – Mrs. Balla Economics w/Financial Literacy – Ms. Taylor Pre-Calculus – Mr. Priovolos Anatomy & Physiology – Ms. C. Daniels

*NOTE: AP and Honors courses are included in the schedules above until such time as there are enough students to sustain an AP block schedule.

Structured Track Master Schedule

Week One

Time	Monday Block A	Tuesday Block B	Wednesday Block A	Thursday Block B	Friday Block A
9AM-10AM	English 3 Ms. Hunt English 4 Ms. Balla	English 1 Mr. McCann			English 3 Ms. Hunt English 4 Ms. Balla
10AM-11AM	Algebra 2 Mr. Priovolos	Algebra 1 Dr. Joseph Geometry Ms. Cruz			Algebra 2 Mr. Priovolos
11AM-12AM	Anatomy & Physiology Ms. C. Daniels Physics 1 Mrs. S. Daniels	US History Ms. Franklin World History Ms. Taylor			Anatomy & Physiology Ms. C. Daniels Physics 1 Mrs. S. Daniels
12PM-1PM	United States Government Ms. Franklin Economics w/Financial Literacy Ms. Taylor	Biology Mr. Beneby Chemistry Mrs. S. Daniels	Pre-Calculus Mr. Priovolos	English 2 Brian McCann	United States Government Ms. Franklin Economics w/Financial Literacy Ms. Taylor
1PM- 2PM	Pre-Calculus Mr. Priovolos	English 2 Mr. McCann	English 3 Ms. Hunt English 4 Ms. Balla	US History Ms. Franklin World History Ms. Taylor	Pre-Calculus Mr. Priovolos
2PM- 3PM			Algebra 2 Mr. Priovolos	Algebra 1 Dr. Joseph Geometry Ms. Cruz	
3PM- 4PM			Anatomy & Physiology Ms. C. Daniels Physics 1 Mrs. S. Daniels	English 1 Brian McCann	
4PM- 5PM			United States Government Ms. Franklin Economics w/Financial	Biology Mr. Beneby Chemistry Mrs. S. Daniels	

			Literacy Ms. Taylor
